In conversation we have the incredible chef **Yotam Ottolenghi**, explorer **Sir Ranulph Fiennes**, cycling's **Ned Boulting**, gardening guru **Monty Don** and Dragon Den resident **Sara Davies** shows us how to 'Craft Your Christmas'.

For the family we have Justin Fletcher's **Justin Live!** and **The Smartest Giant In Town** for the little ones, **The Canterville Ghost** a gloriously ghoulish vaudeville spectacular for everyone 12+, and this Christmas' panto, **Beauty and the Beast** – tickets are already flying out, so book soon to secure your seats for this festive season.

Our Theatre shows cover classics as you've never seen them before, from **Austenacious**, an improvised Jane Austen novel, to **Sh*t-faced Shakespeare** who will perform Macbeth with one sh*t-faced cast member. If musicals are your thing, you can enjoy **Tyne Theatre Productions presents School of Rock**, another unmissable show from our in-house production team.

We're adding new shows to our listings every week, our most up-to-date listings can be found on our website and we announce every event on our social media channels, so make sure you give us a follow! Assistance dogs are welcome in all areas of the Theatre.

Accessibility/carer booking

Carers are entitled to a free ticket for any show.

All accessible/carer bookings must go through our box office. For any of our upcoming shows, please ring 0191 243 1171 during box office opening hours and ask for an accessible booking. If you have any additional needs or requirements which means you require specific seats, you can also contact our box office team on the above number.

Food & drink

There are bars on all levels of the Theatre, including our main Bistro Bar on the ground floor. Alcoholic and soft beverages are available, plus snacks. We don't offer any hot food or meal options.

Your safety

Please be aware for the safety and comfort of our customers, we do perform bag searches. We have no cloakroom facility, so if possible, please do not bring unnecessary large personal items such as rucksacks, luggage or shopping bags.

Babies and children

In our policy, children 18 months or younger classify as Babes in Arms and will not need a ticket, though some shows aimed at younger children will have a different policy – this will be included in the event description. Children over 18 months old will need a ticket, even if you want to keep them on your lap.

Buggy storage

We have a buggy/pram park at the back of the auditorium Stalls level. Please note that space is limited – our staff will try their best to help but if you are able to do without a buggy, we kindly ask that you leave it at home.

Booster seats

We do have booster seats but they are limited – please ask a member of staff upon arrival. It's perfectly acceptable if you want to keep your child on your knee as long as they're not obstructing the view for people behind you.

Limited view seats

We are a Victorian Grade 1 listed building, and the view from certain seats may be restricted, though this can vary depending on the performance. Limited view seats will be indicated on seating plans.

Lost tickets

If you booked your tickets online through our website (Eventim), called our booking hotline or visited the Box Office, your ticket details will be in our system. If you bring your confirmation email or receipt with the booking reference number to the theatre, we can re-print your tickets for you (however, there will be a small reprinting fee per ticket). If you booked your tickets through another ticketing site, please return to the point of purchase for help.

Refunds

Our tickets are non-refundable or exchangeable unless a show is postponed or cancelled. In these instances you can return your tickets to your point of purchase for a face value refund.
